

V5 Camera Adaptive Platform (V5 CAP)

BE GROUNDBREAKING... WITHOUT BREAKING GROUND

Be on the forefront of innovation and free from the grid. Take your surveillance offering to any outdoor area with the V5 CAP ongoing power source. Turn virtually any surveillance camera into a self-powered, compact powerhouse that can monitor any imaginable area. Tedious trenching will be a thing of the past.

100% Self-Powered

- Get power with a combination of proprietary bullet-resistant V5 solar panels, battery and power management system

Connect Any Camera

- Platform works with any camera of any size
- Easy and simple setup
- IT-friendly

Wireless Communications

- Have the convenience of outdoor Wi-Fi, cellular or radio frequency

Intelligent Computing

- Designed to work with clients' own back-end software and specific communication ports

Take your products to the next level with the V5 Systems Camera Adaptive Platform (V5 CAP). It provides a wireless, self-powered outdoor security platform for 3rd party camera integration. This intelligent platform consists of an ongoing power source using proprietary solar technology paired with V5's revolutionary power system. Communications are through Wi-Fi, cellular or radio frequency. Weighing approximately 25 lbs, it has the smallest form factor of its kind. It can turn any existing camera into a self-powered, compact unit that can now monitor any outdoor area. It can be configured and installed in under 30 minutes for quick, IT-friendly deployments. These portable solutions eliminate the need for trenching, vastly reducing cost and time. Be on the forefront of innovation and bring video surveillance to any outdoor area without the limitations of fixed power and connectivity.

CONNECT ANY CAMERA TO THE MOST ADVANCED SELF-POWERED OUTDOOR SECURITY PLATFORM

Be Free To

- Work with any size or type camera
- Quickly deploy in under 30 minutes
- Move it anywhere due to its compact, lightweight size
- Have access to any outdoor area, without trenching

BENEFITS

Rapid Deployment

- Compact turnkey solution
- Effortless setup

Lower Costs

- No trenching
- 2-year warranty included

Increase Awareness

- Prevent blind spots
- Less risk exposure
- Reduce crime
- Deter criminals

V5 CAP Unit Configurations

Part Number	Communications
VCAPV5	Wi-Fi
VCAPV5	Wi-Fi
VCAPCV5	Wi-Fi and Cellular
VCAPCV5	Wi-Fi and Cellular
VCAP5GRFV5	Wi-Fi and Radio Frequency
V5CAP1TRFV5	Wi-Fi and Radio Frequency

V5 CAP compatible with the following:
Power over Ethernet (PoE)
5Volts at up to 4.5Amps
12Volts at up to 4Amps
24Volts at up to 2.5Amps

Optional Features

Auxiliary Power Unit

Physical Specs

Enclosure.....IP66
 Dimensions.....15.1" L x 10.5" W x 7.5" D
 Weight.....27.8 lbs.
 Bracket Weight.....2.8 lbs.
 Solar Panel Dimensions.....38.6" L x 22.6" W x 0.28" D (X2)
 Solar Panel Weight.....7.6 lbs. (X2)
